

TURKISH MACHINERY SECTOR
www.turkishmachinery.com

MACHINERY SECTOR

- Is vital to the industrialization of all countries in the world.
- Has an important role in economical development of countries.
- Being a major investment goods supplier, works in cooperation with other industries.

STRATEGIC SECTOR

- Machinery sector; helps new technological developments,
- Employs well trained and highly skilled labor,
- Invents and benefits from latest production methods and new technological developments,
- Competitiveness of Other Sectors Depends on Machinery Sector

EXPORT-IMPORT MEASURES OF MACHINERY AND ACCESORIES SECTOR

	EXPORT(USD)	IMPORT(USD)
2009	8.133.492.997	17.132.097.914
2010	9.337.709.888	21.241.732.757

WORLD MACHINERY TRADE

- According to trade figures, it is clear that more than 12% share of the world trade is from machinery sector with USD 1,9 trillion.
- It has the second rank after oil trade.

MACHINERY AND ACCESSORIES EXPORTERS' UNION

The Machinery and Accessories Exporters' Union was established in 2002 in order to coordinate all kinds of activities that will increase Turkish exports while gathering all machinery exporters under the same organization has approximately 9000 members. It is the only establishment where the machinery exporters are represented in Turkey.

THE VISION

- ✓ To create an industry with high technological skills.
- ✓ To be one of the first five machinery exporting countries of the world.
- ✓ To reach 100 billion \$ export figure in 2023.
- ✓ To raise the share of machinery export to 20% of Turkey's total export volume
- ✓ as in all of the developed countries.

THE ADVANTAGES OF TURKISH MACHINERY SECTOR

- ✓ High rate of domestic input,
- ✓ Foreign market and customer satisfaction oriented,
- ✓ Geographical proximity to strategic markets,
- ✓ Relatively low cost of highly well-trained, skilled and young workforce,
- ✓ Experience in design and engineering.
- ✓ Those clarifies the reasons why Turkey is preferable for tailor made or turnkey projects.

TURKISH MACHINERY IS EXPORTED TO ALMOST 228 COUNTRIES

TÜRK EXIM BANK

TURKISH EXPORT CREDIT BANK INC.

**THE COUNTRY BUYER'S CREDIT PROGRAM FOR THE TURKISH MACHINERY
MANUFACTURING SECTOR THROUGH THE COOPERATION OF THE MACHINERY AND PARTS
EXPORTERS UNION AND TURKISH EXIMBANK**

Under the cooperation protocol between Turkish Eximbank and the Machinery and Parts Exporters Union, country buyer's credits are made available for Turkish machinery exporters in order to enhance their international competitiveness and to provide them with new financing possibilities.

OBJECTIVE:

The objective of the program is to support Turkish machinery exporters through medium- and long- term cash and non-cash credits.

TURKISH MACHINERY PROMOTION GROUP (MPG)

THE MISSION

Turkish Machinery Promotion Group has been founded by Machinery and Accessories Exporters Union in 2007. The purpose of the group is advertising machinery sector inside and outside Turkey more effectively, to carry out various activities in order to build up its image, to raise the sectoral export rates, to create trademarks and to organize research and development activities.

TURKISH MACHINERY PROMOTION GROUP BEIJING OFFICE

Turkish Machinery Promotion Group has employed a Chinese expert located at the Turkish Trade Center in city of Beijing, China. She has been taken into service in order to help our companies, to search for markets, suppliers and importers and to follow up activities and developments about machinery and accessories sector in China.

TURKISH MACHINERY PROMOTION GROUP (MPG)

The first commercial in 2009 starred international Turkish Machinery Buyers from various countries such as USA, Germany, Japan, England, France stating “Turkish Machinery is running effectively, efficiently, reliably for them”. The campaign motto was “operating in 200 countries around the world Turkish Machinery is ready to work for you as well.”

In 2010 after this very successful start the campaign has continued with the second TV commercial starring Turkish Industry's Leading figures stating “Turkish Machinery is running effectively, efficiently, reliably for them” The campaign's motto was “The giants of Turkish Industry rely on Turkey's Machinery”.

TURKISH MACHINERY PROMOTION GROUP (MPG)

Turkish Machinery Promotion Group participates significant fairs inside and outside Turkey to assist the members in introducing themselves. In addition, trade missions are organized to collaborate with foreign business people.

MPG organizes meetings, seminars and conferences getting together public, private sector, academy and media representatives to analyze and solve the problems concerning the machinery sector.
